

Enzyme: Salivary amylase

Organ released from:

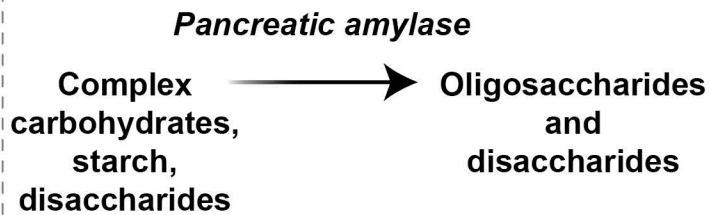

Acts upon:

- Carbohydrates
- Fats
- Proteins

Enzyme: Pancreatic amylase

Organ released from:

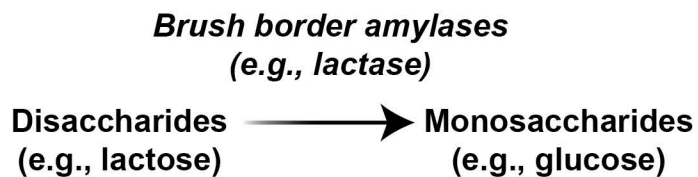

Acts upon:

- Carbohydrates
- Fats
- Proteins

Enzyme: Brush border amylases

Organ released from:

Acts upon:

- Carbohydrates
- Fats
- Proteins

Enzyme: Pepsin

Organ released from:

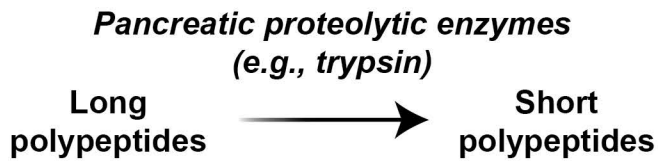

Acts upon:

- Carbohydrates
- Fats
- Proteins

**Pepsin is active in the presence of acid.*

Enzyme: Pancreatic proteolytic enzymes

Organ released from:

Acts upon:

- Carbohydrates
- Fats
- Proteins

Enzyme: Brush border peptidases

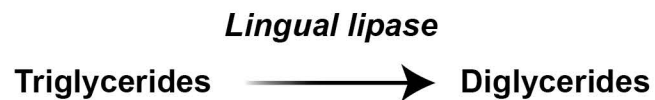

Organ released from:

Acts upon:

- Carbohydrates
- Fats
- Proteins

Enzyme: Lingual lipase

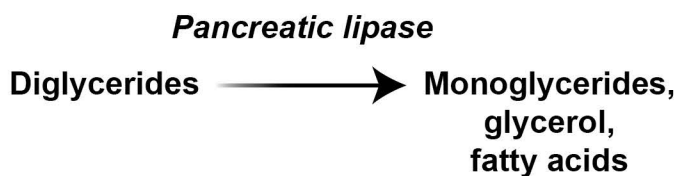

Organ released from:

Acts upon:

- Carbohydrates
- Fats
- Proteins

Enzyme: Pancreatic lipase

Organ released from:

Acts upon:

- Carbohydrates
- Fats
- Proteins
